"Since March 15th, when we bought the Paige Truck, it has covered 9,162 miles. It was our only truck, out of seven, which was not in the shop for repairs this season.'

> The Coca-Cola Bottling Co. Wichita, Kansas

#### -truly a remarkable comparative test!

And yet this record is not at all extraordinary. Many of our trucks, we know, have completed many more thousand miles of service without ever going into the repair shop.

This is one of the reasons why Paige Trucks are so attractive from an investment standpoint. There is but little increase in the original investment through expenditures for repairs. Generally speaking, first cost represents final cost.
